
Library Orientation

HIST 7A

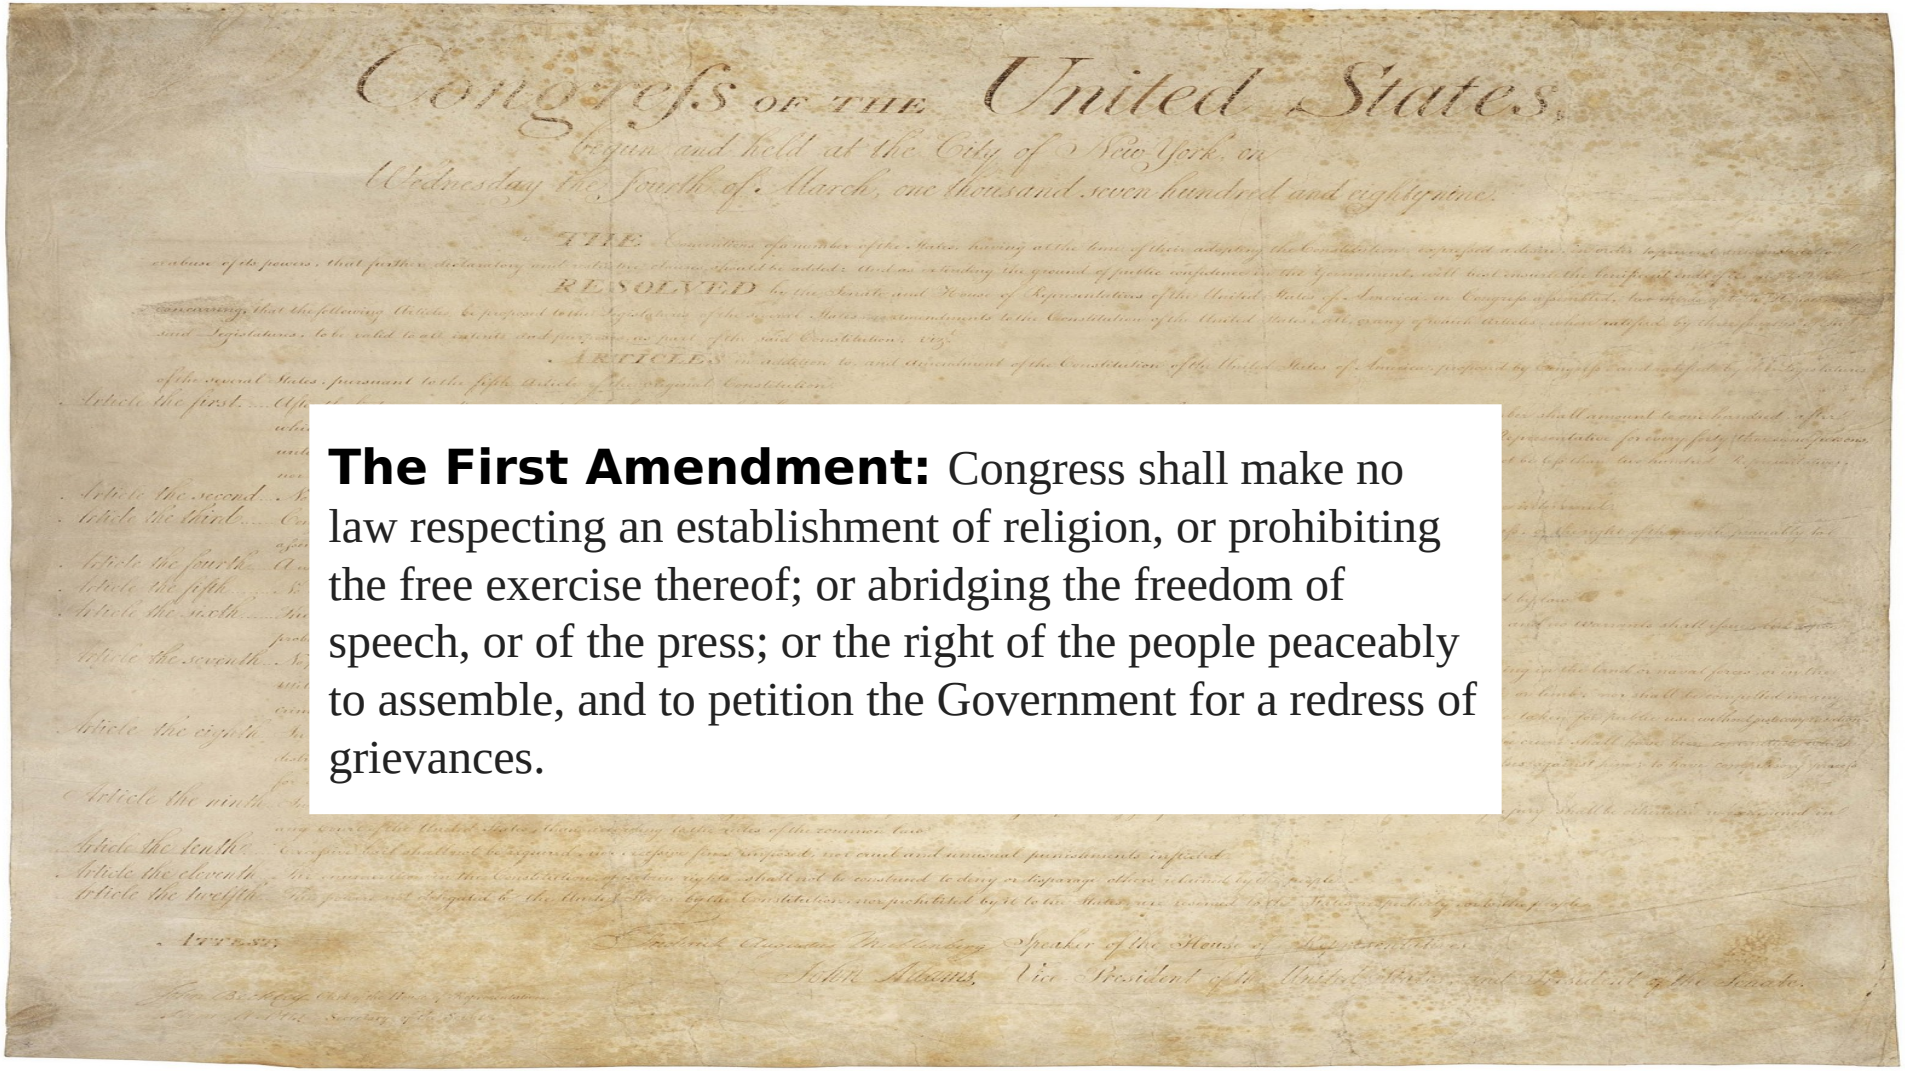
Joy Kim • Librarian-Educator

Today’s Goals:

1. Review “free speech”--what does it mean?
2. Choose a subtopic.
3. Learn how to use the library database.

“Without freedom of thought, there can be no such thing as wisdom; and no such thing as public liberty, without freedom of speech.” **– Benjamin Franklin**

What is “free speech?



The First Amendment: Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Examples of Free Speech subtopics:

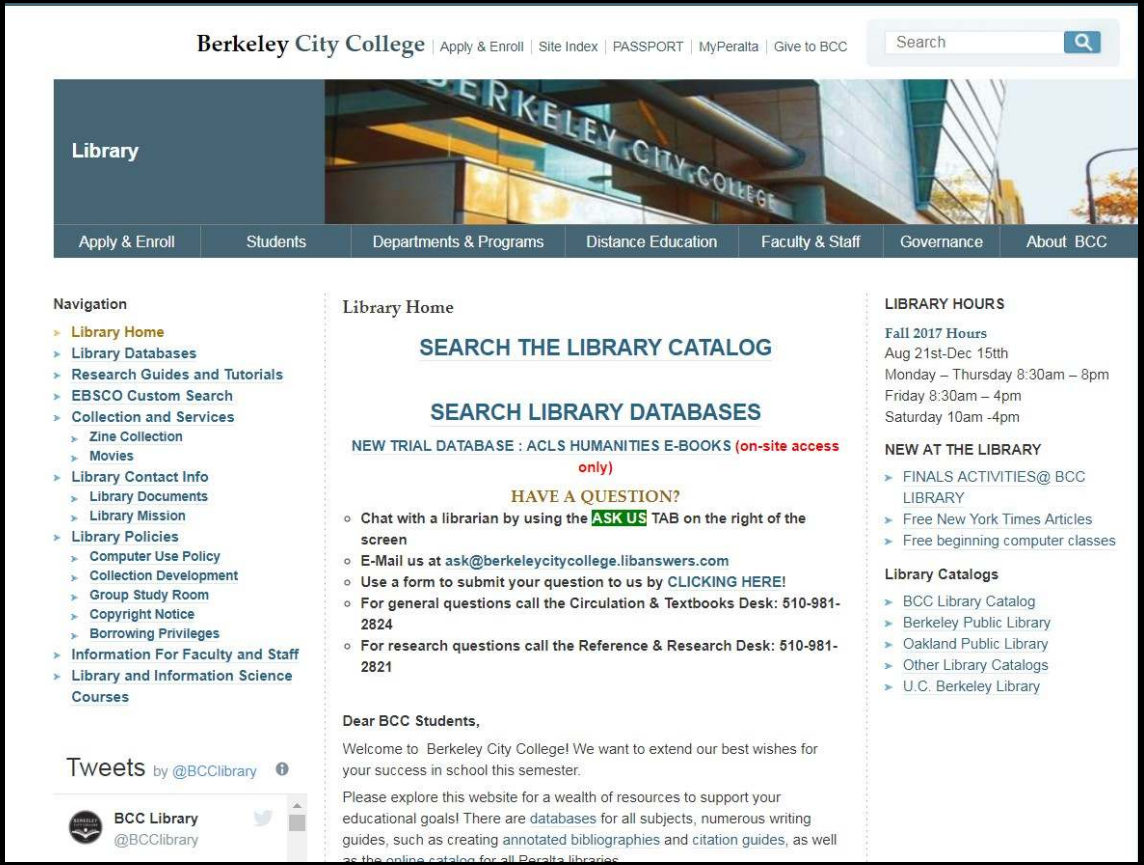
Cox v. N. H.	public versus private property; religious groups; assembly
Elonis v. U.S.	social media; hate speech
Texas v. Johnson	flag burning
Engel v. Vitale	school-sponsored prayer; religious activity in public
Tinker v. Des Moines	student rights; campus rights; right to protest

Free Speech Court Cases

Library Databases: SIRS and POV References

Question 1:
What is the difference between a Library **Catalog** and Library **Database?**

Question 2:
Which database do I use for controversial topics like Free Speech?



NComputing
ProData

Library Se
